

TRAINING INTEREST SURVEY FOR CERTIFIED RADIOLOGY TECHNOLOGISTS

The L.A. Health Care Workforce Development Program (HCWDP) is interested in offering training opportunities to DHS Radiology Technologists in the following training areas:

Training Opportunities

Magnetic Resonance Imaging (MRI):

This course will provide advanced Radiologic Science Imaging Education, and prepare students to sit for the National Advanced Imaging MRI Certification Exam.

Fluoroscopy: This workshop would provide a skills enhancement for CRT staff. Staff will learn to use a fluoroscope to exam the body structure and organs, and qualify for State Certification.

Mammography: This course will provide education on imaging coursework in breast anatomy, physiology, pathology, and mammographic imaging; students will be qualified to sit for the National and State Advanced Imaging Mammography Certification Exam. *DHS currently provides a bonus for full-time Radiologic Technologists performing mammography duties the majority of their time.*

Diagnostic Ultrasound: This program will provide education on the use of highly specialized equipment to direct nonionizing, high frequency sound waves into areas of the patients body to form images for interpretation and diagnosis by a physician. *This is a career track opportunity for Radiologic Technologists.*

Please complete the interest survey on the reverse side and mail or fax it to:

L.A. Health Care Workforce Development Program
500 South Virgil Avenue, Suite 200, Los Angeles, CA 90020
FAX: (213) 380-4142

Eligible candidates **must be** full-time, permanent employees of the Department of Health Services, and represented by SEIU Local 660.

RADIOLOGY TRAINING INTEREST SURVEY

I am interested in the following areas of training
(place a check in the box next to your areas of interest):

- Magnetic Resonance Imaging (MRI)
- Fluoroscopy
- Mammography
- Diagnostic Ultrasound

Please Fax to: (213) 380-4142 ATTN: Planning & Implementation Division

or mail to: L.A. Health Care Workforce Development Program
500 South Virgil Avenue, Suite 200
Los Angeles, CA 90020
