

CAREERS IN NURSING

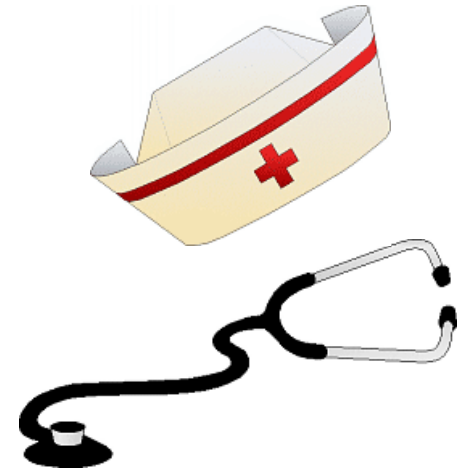

RN Program 2009

The L.A. Health Care Workforce Development Program (HCWDP) is offering a Registered Nursing (RN) Program to County Of Los Angeles Department of Health Services (DHS) employees. The RN program is offered by HCWDP through the College of Nursing and Allied Health.

RN Program – A two year program to educate individuals to become Registered Nurses. No nursing experience is required. An Associate Degree in Nursing is received upon completion of the program.

FOR YOUR INFORMATION:

- Eligible candidates **must be** full-time, permanent employees of DHS for at least six months.
- Your item must be represented by SEIU Local 721;
- The RN classification must be promotional from your current job classification;
- HCWDP will cover the costs of tuition (not covered by the college tuition assistance program), books and supplies;
- Some classes may require the use of your own time;
- You will need to sign an authorization form releasing information to HCWDP from the college on your attendance and performance;
- You will need to sign a Participant Agreement to work in an acute care setting providing direct patient care for at least two years with DHS following receipt of your RN license;
- There may be additional requirements in connection with the application and selection processes.

Training Opportunity

RN Interest Application

You must fill in all the areas on this form for your application to be processed.
